On Friday October 7, 2005, While working at B.T.W High School Homecoming game, we encountered a situation out in the parking lot area, near the band room, Deputy Erik Whitlow saw several black male subject fighting.

Upon him (Deputy Whitlow) asking for help, we (Deputies Marcus Walker, Walter Lacey and I) ran to assist. Once we got near the area, several people were running away stating that a subject had a gun. There were also several people running behind us toward the fight. At that point I turned around and advised them to go back, due to the fact that several people stated that a gun was involved. Upon getting those people to turn around, I focus my attention back to the fight area. At this time Deputy Whitlow and Deputy Lacey had cuff one subject. Shortly afterward Officer Dan Motley arrived.

Another student came up using profane language at the Deputies and was also arrested. Tony Wash 10/18/05
